Goodbye to all of you
Molly

Dear , Mr. Mendoza

Thanks for being the best principal we have ever had. Keep on doing a good job as a principal.
Hope all your other students like you as much as we like you!

Good luck in the future.

Love Always,
Yesica, Molly, Jessica

The yearbook staff did a lot of work this year. Aleidy and Cindy withdrew mid year, so our staff became three. Despite other activities they were involved in, like girl scouts and other groups, they did a good job selling, taking pictures and assembling the yearbook. Thanks goes to them for the time and dedication they showed as members of the yearbook staff.
